The Honorable Carolyn B. Maloney  
Chairwoman  
Committee on Oversight and Reform

The Honorable Stephen F. Lynch  
Chairman  
Subcommittee on National Security

Dear Chairwoman Maloney and Chairman Lynch:

On August 18, 2021, we wrote to you requesting a hearing with Secretary of State Antony Blinken and Secretary of Defense Lloyd Austin. You never responded.

On September 22, 2021, you held a highly classified, closed door, Members-only briefing that did not include either Secretary Blinken or Secretary Austin. This briefing did not answer our questions, did not answer the American people's questions, and did not absolve you of your duty to conduct public oversight over the ongoing national security and humanitarian crises in Afghanistan. We therefore renew our August 18 request for a public hearing as soon as possible.

While you have refused to address Committee Republican requests for a public hearing, the crises in Afghanistan have continued to deepen. Since our initial request:

1. Radical terrorists killed 13 U.S. servicemen and women and dozens of Afghans outside of Harmed Karzai International Airport;<sup>1</sup>
2. The Biden Administration conducted a drone strike that killed ten Afghan civilians, including seven children, and kept the truth from the public for over two weeks;<sup>2</sup>
3. The Biden Administration stranded hundreds of American citizens and American green card holders in Afghanistan to meet its self-imposed withdrawal deadline;<sup>3</sup>

13. The Biden Administration shared a list of Americans and American allies with the Taliban, providing the Taliban with a potential “kill list;”<sup>13</sup>
14. The Taliban beat and detained journalists reporting on equal rights protests;<sup>14</sup>
15. The Biden Administration failed to properly vet Afghans fleeing the country, allowing multiple violent felons into the U.S.;<sup>15</sup>
16. The Taliban held six planes hostage, carrying hundreds of evacuees, and refused to allow them to leave Afghanistan;<sup>16</sup>
17. The World Bank and International Monetary Fund froze aid and Afghan accounts, while the Biden Administration sent millions to Taliban-controlled Afghanistan;<sup>17</sup>
18. All Afghan evacuation flights were halted after a measles outbreak in U.S.-run refugee camps;<sup>18</sup>
19. The Taliban brought back executions and strict punishments, including amputations and beheadings, most recently exemplified by hanging a dead body by a crane in Herat;<sup>19</sup>
20. The Biden Administration has not yet publicly objected to the recognition of the Taliban as the government of Afghanistan.

We should have had a hearing a month ago. What are you waiting for? Because as we continue to wait for transparency and accountability, the Biden Administration continues making disastrous decisions with deadly consequences.
